

# THE COMMUNITY DEVELOPMENT FINANCIAL INSTITUTIONS FUND

United States Department of the Treasury

## Registration Now Closed for Information Sessions on the FY 2006 CDFI Program and NACA Program

The registration period to attend any of the CDFI Fund sponsored Information Sessions, including the January 17<sup>th</sup> broadcast through the HUD TV Network, is now closed.

Those still interested in learning about the CDFI Program or NACA Program have three options remaining. Those are:

1. If it is before the January 17<sup>th</sup> broadcast (begins at 1:00 p.m. EST) you can call your local HUD Field Office to see if they will allow you to be added to the list of individuals that registered with the CDFI Fund to view the broadcast at their office. Most HUD Field Offices are located in secure federal buildings, thus the CDFI Fund has to close the registration period the business day before the broadcast to allow for the contact information of the registrants to be passed on to the security personnel in each federal building hosting a viewing. Each HUD Field Office has the sole authority to determine whether or not to admit people based on their specific security policies. You can access the list of HUD Field Offices at the following link:

2. You can view the January 17<sup>th</sup> broadcast through your computer as a live webcast. HUD's website provides information on minimum requirements, the ability to download free software to view the live webcast and a link, on the day of the broadcast, to the live webcast itself. Please visit:

3. Within a few days after the January 17<sup>th</sup> broadcast the CDFI Fund will post links to an archived version of the webcast that you can view at any time.
