# COMMUNITY DEVELOPMENT FINANCIAL INSTITUTIONS PROGRAM

Access to affordable Financial Products and Services is a staple of economically sound communities. Yet at least one quarter of American households do not have bank accounts or rely on costly payday lenders and check-cashing outlets. In recent years, the lack of access to capital investments for small businesses and other critical community development projects has also led to increased need for alternative and reliable sources of financing.

Mission-driven organizations called Community Development Financial Institutions—or CDFIs—fill these gaps by offering affordable Financial Products and Services that meet the unique needs of economically underserved communities. Through Awards and trainings, the Community Development Financial Institutions Program (CDFI Program) invests in and builds the capacity of CDFIs, empowering them to grow, achieve organizational sustainability, and contribute to the revitalization of their communities.

## THE CDFI PROGRAM PROVIDES BOTH FINANCIAL ASSISTANCE AND TECHNICAL ASSISTANCE AWARDS:

Financial Assistance (Base-FA) Awards of up to \$2 million allow Certified CDFIs to sustain and expand their Financial Products and Services. Base-FA Awards can be used for lending capital, loan loss reserves, capital reserves, financial services, and development services to achieve at least one of the following FA objectives:

- Increase volume of Financial Products or Services
- Provide new Financial Product(s)
- Expand operations into new Geographic Area(s)
- Service new Targeted Population(s)

The FY 2024 Application emphasized the extent of economic distress in the areas CDFIs are serving; the extent to which their activities have expanded, or will expand, economic opportunities; and the extent to which CDFIs will collaborate with their communities and increase their resources through collaborations and partnerships.

Technical Assistance (TA) Awards of up to \$300,000 are used by Certified and Emerging CDFIs to build their organizational capacity to provide new or expanded

<sup>1</sup> Congress permanently waived the Matching Funds requirement for Native CDFIs in the Indian Community Economic Enhancement Act of 2020 (P.L. 116-261). Thus, Matching Funds are not required for any Native CDFI Applicants. Additionally, Congress waived the Matching Funds requirement for Small and Emerging CDFI Assistance (SECA) FA Applicants and Healthy Food Financing Initiatives (HFFI) FA Applicants.

Financial Products and Services or become Certified. CDFIs often use these Awards to purchase equipment, hire consulting or contracting services, pay salaries and benefits, or train staff or board members.

The CDFI Program also administers the Persistent Poverty Counties-Financial Assistance (PPC-FA), Disability Funds-Financial Assistance (DF-FA), and Healthy Food Financing Initiative-Financial Assistance (HFFI-FA) Awards. These initiatives serve as supplemental funding opportunities under the CDFI Program and Native American CDFI Assistance Program for eligible CDFIs that receive Base-FA Awards.

FA Awards, including Base-FA, Disability Funds-Financial Assistance (DF-FA), and Persistent Poverty Counties-Financial Assistance (PPC-FA), must be matched with funds from non-federal government sources on a dollar-for-dollar basis.<sup>1</sup>

## CDFI PROGRAM HISTORY:

Since its establishment in 1994, the CDFI Program has awarded more than \$3 billion in FA and TA grants, and the number of Certified CDFIs have increased tenfold.

## IMPACTS OF THE CDFI PROGRAM:

Since FY 2010 CDFI Program FA Recipients have reported (through September 30, 2024) using their Awards to:

- originate nearly \$300 billion in total loans and investments in distressed and underserved communities;
- provide more than \$55.8 billion in financing to more than 1.34 million businesses; and,
- support the development of more than 557,000 units of affordable housing.

## VISION

The vision of the Community Development Financial Institutions Fund (the CDFI Fund) is an America in which all people and communities have access to the investment capital and financial services they need to prosper.

## MISSION

The CDFI Fund's mission is to expand economic opportunity for underserved people and communities by supporting the growth and capacity of a national network of community development lenders, investors, and financial service providers.
