- (f) Recipient's Program Income in the form of principal and equity repayments that is reinvested in a prior Project cannot be counted in the Eligible Project Costs calculation more than once. The CMF Award amount in whole or in part, including in the form of Program Income, shall only be counted once as Eligible Project Costs for any given Project.

3.5 Restrictions on use of the CMF Award.

The Recipient shall use the CMF Award in accordance with the restrictions below.

(b) Subrecipient Relationships. The Recipient shall adhere to the following Subrecipient relationship requirements.

- (1) The Recipient shall not distribute or transfer the CMF Award to any Affiliate or Subsidiary or distribute the CMF Award in any manner that would create a Subrecipient relationship (as defined in the Uniform Administrative Requirements), without the CDFI Fund's prior written consent.
- (2) For the purposes of capitalizing an Affordable Housing Fund, a Revolving Loan Fund or an Economic Development Activities Fund pursuant to 12 CFR 1807.301, a Recipient has the option to establish a single purpose entity (SPE) which must be approved in advance by the CDFI Fund ("Approved SPE") to carry out CMF activities. The Approved SPE shall:

- (i) be a Subsidiary of the Recipient;
 - (ii) be created to solely act as an Affordable Housing Fund, a Revolving Loan Fund, Economic Development Activities Fund (as those capitalized terms are defined in and pursuant to the CMF Regulations);
 - (iii) be capitalized by a CMF Award and Leveraged Capital, the total of which shall be used solely for Eligible Project Costs;
 - (iv) be subject to an Approved SPE Agreement between the Approved SPE and the Recipient, which clearly states that all provisions, requirements and obligations of this Assistance Agreement remain with the Recipient and additionally apply to the Approved SPE, including compliance with all Federal statutes and regulations referenced in this Assistance Agreement;
 - (v) does not otherwise engage in any of the prohibited activities set forth in this Section 3.5; and
 - (vi) is approved in advance and in writing by, and meets all other requirements to the satisfaction of, the CDFI Fund, including the provision of a legal opinion from the counsel of the Recipient in the form prescribed by the CDFI Fund.
- (3) All provisions, requirements and obligations of this Assistance Agreement remain with the Recipient and additionally apply to the Approved SPE.
- (4) An Approved SPE Agreement is not deemed to evidence that a CMF Award is Committed for Use or to serve as evidence of a Project Commitment.
- (c) The Recipient shall not use any of its CMF Award to pay any costs incurred in connection with (i) any defense against any claim or appeal of the United States Government, any agency or instrumentality thereof (including the CDFI Fund), against the Recipient, or (ii) any prosecution of any claim or appeal against the United States Government, any agency or instrumentality thereof (including the CDFI Fund), which the Recipient instituted or in which the Recipient has joined as a claimant.
- (d) The Recipient may not use any of its CMF Award provided hereunder for the purpose of covering expenses, including consultant fees, related to the preparation of a Community Development Entities (CDE) and/or CDFI Certification Application or an award from the CDFI Fund.
- (e) The Recipient may not use any of its CMF Award provided hereunder to cover the costs of organized fund raising (including financial campaigns, solicitations of gifts and requests, grant writing, and similar expenses incurred to raise capital or obtain

contributions) regardless of the purpose for which the funds will be used. For additional information regarding fund raising and investment management costs, please refer to the Uniform Administrative Requirements.

- (f) The Recipient shall not use any of its CMF Award provided hereunder to pay any person to influence or attempt to influence any agency, elected official, officer or employee of a State, local or Indian Tribal government in connection with the making, award, extension, continuation, renewal, amendment, or modification of any State, local, or Indian Tribal Government contract, grant, loan, or cooperative agreement, as such terms are defined in 31 USC 1352.
- (g) The Recipient shall not use its CMF Award for Indirect Costs as defined in the Uniform Administrative Requirements.
- (h) The Recipient shall not use its CMF Award under this Assistance Agreement for any project that also receives funding from the Recipient's (or any of its Affiliates') other CDFI Fund awards or allocations, except when the CMF Award is used to finance an activity in a different phase of development financing in the same Project. The phases of development financing are deemed to be:
 - (1) predevelopment;
 - (2) acquisition;
 - (3) site work (pre-construction);
 - (4) construction/rehabilitation
 - (5) permanent financing; or
 - (6) bridge financing between two or more phases.
- (i) This restriction does not apply to the Recipient's CMF Awards or CMF Awards of another Recipient. The Recipient may combine its multiple CMF Awards, including Program Income, or/and may combine its Awards with those of other Recipients, to provide financing on any Project, including financing the same phase of any Project. However, the Recipient may not deem costs as Eligible Project Costs under this Assistance Agreement for those same costs deemed as Eligible Project Costs under the Recipient's prior CMF Awards or another Recipient's CMF Award. In the event the Recipient does such, the Eligible Project Costs shall be prorated. The Recipient may use Program Income earned in the form of principal and equity repayments on a Project that received prior funding from the CMF Award issued under this Assistance Agreement or another CMF Award issued under a different

Assistance Agreement. However, such Program Income earned in the form of principal and equity repayments cannot be counted in the Eligible Project Costs calculation on a Project that has received prior funding from the CMF Award issued under this Assistance Agreement or another CMF Award issued under a different Assistance Agreement.

- (ii) If providing Homeownership assistance, a CMF Award may be used in conjunction with awards or allocations from other CDFI Fund programs only if the Project can be divided into phases of development financing, and the CMF Award is used in a different phase from the other CDFI Fund program awards/allocations. A CMF Award cannot be used for a Homeownership property that is permanently financed (or supported) by both the Recipient's (or any of its Affiliates') CMF Award and an award or allocation from another CDFI Fund program (e.g., down payment assistance funded from CMF dollars may not be combined with a permanent mortgage funded from another CDFI Fund program).
- (i) The Recipient shall not use any Award funds provided hereunder for the prohibited activities set forth in 2 CFR 200.216 of the Uniform Requirements, Prohibition on certain telecommunications and video surveillance equipment or services.
- (j) The Recipient shall not use more than five percent (5%) of its CMF Award for Feasibility Determination Expenses incurred by the Recipient prior to Project Commitment to determine the feasibility of activities to implement the CMF Award. These costs cannot be deemed as Eligible Project Costs. Such expenses may include, but are not limited to, preliminary market studies, engineering, architectural analyses, and financial feasibility analyses, as further detailed in guidance provided by the CDFI Fund.
- (k) The Recipient shall not use more than five percent (5%) of its CMF Award for Direct Administrative Expenses. These costs cannot be deemed as Eligible Project Costs.

3.6 Closing.

The CDFI Fund shall provide all or a portion of the CMF Award to the Recipient at Closing, including at the time a Subsequent Payment is requested, subject to the Recipient's fulfillment, as determined by the CDFI Fund in its sole discretion, of the following conditions precedent, prior to any Closing and/or Payment(s) being made to the Recipient.

- (a) Performance; Representations and Warranties. At Closing:
 - (1) the Recipient shall have performed and complied with all applicable agreements and conditions contained herein required to be performed or complied with; and

- (2) the representations and warranties set forth in this Agreement and the Assurances and Certifications contained in the Application shall be true and correct in all material respects; and
- (3) the Assurances and Certifications contained in the Application shall be true and correct in all material respects, or shall, to the satisfaction of the CDFI Fund, not have a material adverse effect on the Recipient's execution of and performance under this Agreement.

(b) Unless otherwise determined in the sole discretion of the CDFI Fund:

(1) Certificate of Good Standing. If applicable based on the instructions attached hereto as Schedule 3-A, the CDFI Fund shall have received from the Recipient a Certificate of Good Standing (COGS) from the Secretary of State for the Recipient's state of formation dated within 180 days prior to the Federal Award Date of the Assistance Agreement.

OR

(2) Opinion of Recipient Counsel. If a State does not normally provide a COGS to its political subdivisions or instrumentalities, the CDFI Fund shall have received from counsel for the Recipient prior to any Closing, a favorable opinion satisfactory in scope, form, and substance to the CDFI Fund, with respect to the matters set forth in Schedule 3-B and any other matters incident to the transactions contemplated hereby as the CDFI Fund may require.

(c) Proceedings and Documents. All corporate and other proceedings in connection with the transactions contemplated by the Assistance Agreement and all documents and instruments incident to such transactions shall be satisfactory in substance and form to the CDFI Fund, and the CDFI Fund shall have received from the Recipient all such counterpart originals or certified copies or other documents as the CDFI Fund may reasonably request.

3.7 Payment(s) of the CMF Award.

Payment(s) of the CMF Award may be made by the CDFI Fund in one Lump Sum Payment or as an Initial Payment to the Recipient, followed by a Subsequent Payment, based upon the Recipient meeting the requirements set forth in Section 3.6, including a request made prior to or by the date as specified in Schedule 1.

(a) For Recipients who opt to receive the CMF Award in two Payments, the Initial Payment will be made following the execution of the Assistance Agreement. The Initial Payment amount is based on the Recipient's estimated amount to be Committed for Use in the first year of the Period of Performance, but no less than 50% and no more than 90% of its CMF Award. The Subsequent Payment amount will equal the balance of the total CMF Award not paid as an Initial Payment.

- (b) If the entire amount of the CMF Award is not paid at the initial Closing in a Lump Sum Payment, the Recipient must submit a Subsequent Payment Request, which includes a Certificate of Good Standing (COGS) from the Secretary of State, or other issuing State agency, in the Recipient's state of formation dated within 180 days prior to the date the Subsequent Payment Request is made; or an opinion of Recipient counsel as described in section 3.6(b)(ii). Regulated entities are not required to submit a COGS or opinion of Recipient counsel.
- (c) Subsequent Payment Requests must be submitted via the Recipient's AMIS Account (or as otherwise directed by the CDFI Fund). All Subsequent Payment Requests must be received by the CDFI Fund no later than the "Date to request Subsequent Payment" specified in Schedule 1 of this Agreement (10 months from the Effective Date of the Assistance Agreement). All Subsequent Payment Requests are subject to CDFI Fund compliance review and approval. The CDFI Fund shall not make any Payments (including Lump Sum Payments, Initial Payments, or Subsequent Payments) pursuant hereto until the Recipient has satisfied all conditions precedent to receiving such Payments, but not limited to, the Recipient being in compliance (or being noncompliant but not determined by the CDFI Fund to be in default) with the terms and conditions of any prior assistance from the CDFI Fund. The Recipient must deliver to the CDFI Fund, as applicable, the original signed Assistance Agreement, and all required documentation.
- (d) If a Recipient wishes to decline all, or part, of the remaining undisbursed CMF Award balance, it must do so by notifying the CDFI Fund by a Service Request in AMIS on or before the "Date to request Subsequent Payment" specified in Section 3.7 in Schedule 1 of the Assistance Agreement. The Recipient must concurrently request an amendment to the Assistance Agreement, providing sufficient justification for declining all or part of the remaining undisbursed CMF Award. Upon approval of the amendment request, the CDFI Fund will de-obligate the Recipient's undisbursed CMF Award amount. The CDFI Fund reserves the right to any remedy, including deobligation of any undisbursed CMF Award amount, for a Recipient's failure to comply with this subsection (d) or any other requirements set forth herein.
- (e) Recipients will be limited to one (1) Subsequent Payment.
- (f) The Recipient shall maintain and ensure the accuracy of its banking information as reflected in its System for Award Management (SAM) account, as well as maintain a current and active registration in SAM.gov. In the event that the Recipient's SAM.gov account contains inaccurate or non-current banking information, the CDFI Fund is not responsible for reimbursement or payment to the Recipient for any CMF Award Payment made to an incorrect account.

- (g) Following the Announcement Date, if the Recipient is found to be noncompliant or in default under any CDFI Fund award, the CDFI Fund may, in its sole discretion, rescind the CMF Award to the Recipient if:
- (1) the Recipient fails to remedy the noncompliance within the timeframe established in writing by the CDFI Fund, or
 - (2) the Recipient fails to satisfy any condition related to the noncompliance or default within the timeframe established in writing by the CDFI Fund.

3.8 Authorized Uses of Program Income; Requirements for Reinvestment.

- (a) If applicable as noted in Section 3.8 of Schedule 1, Program Income in the form of principal and equity repayments of the CMF Award earned during the Investment Period must be reinvested by the Recipient as part of its continued performance under the CMF Award. Any interest received on the CMF Award and any other Program Income earned during the remaining period of performance after the Investment Period has ended, must be used by the Recipient solely to further the objectives of its mission as a certified CDFI or Nonprofit Organization. For purposes of this Section 3.8, Program Income that is repaid from debt or equity or returned and made available to the Recipient during the Investment Period due to the CMF Award becoming unrestricted from Loan Loss Reserves or Loan Guarantees shall be deemed to be Program Income.

Program Income earned during the Investment Period must be reinvested by the Recipient as described below:

- (1) Recipient shall invest such Program Income in the Eligible Uses identified in Section 3.2(a).
- (2) Recipient shall invest such Program Income in the eligible activities identified in Section 3.2(b).
- (3) Recipient shall use such Program Income to achieve the production targets set forth in Section 3.2(c).
- (4) Recipient shall use such Program Income to achieve the rental Affordable Housing requirement set forth in Sections 3.2(d)(i) and 5.2(a).
- (5) Recipient shall use such Program Income to achieve the Homeownership Affordable Housing requirement set forth in Sections 3.2(d)(ii) and 5.3(a).
- (6) Recipient shall use such Program Income to achieve the Areas of Economic Distress and/or High Opportunity Areas for rental Affordable Housing requirement set forth in Section 3.2(d)(iii).

- (7) Recipient shall use such Program Income to achieve the Economic Development Activities in Low-Income Areas requirement set forth in Section 3.2(d)(iv).
- (8) Recipient shall use 100 percent of such Program Income to finance and/or support Affordable Housing, Community Service Facilities and/or EDA physical structures located in any State of the United States, the District of Columbia or any territory of the United States.
- (9) Recipient shall use such Program Income to achieve the leverage requirements set forth in Section 3.2(g). For purposes of this section, only Projects financed and/or supported with such Program Income and completed within the Investment Period will be counted towards Eligible Project Costs, as further stipulated in Section 3.5(h). For purposes of Section 3.2(g), costs paid for with such Program Income will be deemed as paid for by the CMF Award for purposes of determining Eligible Project Costs and as further stipulated in Section 3.5(h).
- (10) For items (3)-(4) and (9) above, only Affordable Housing, Community Service Facilities and/or EDA physical structures, as applicable, financed or supported with such Program Income that achieve Project Completion by the end of the Investment Period will be counted towards the requirements in Sections 3.2 and 5.3.
- (11) Recipient shall use such Program Income to achieve the Eligible Project Costs requirements set forth in Section 5.1. For purposes of Section 5.1 costs paid for with such Program Income will be deemed as paid for by the CMF Award for purposes of Eligible Project Costs, subject to Section 3.5(h). For purposes of this section, only Projects financed and/or supported with such Program Income and completed within the Investment Period will be counted towards Eligible Projects Costs, and as further stipulated in Section 3.5(h).
- (12) With regard to rental Affordable Housing financed and/or supported with such Program Income, the Recipient shall comply with the Project level targeted income requirements set forth in Section 5.2(b).
- (13) Any Affordable Housing resulting from such Program Income, shall be subject to the Affordability Period beginning on the date that the Project achieves Initial Occupancy.
- (14) There is no initial disbursement requirement for such Program Income.
- (15) For any Project financed or supported with Program Income as described in this Section 3.8(a), the Recipient shall have either: (a) up to thirty-six (36) months from the time the Project is committed to obtain Project Completion, as defined in

12 CFR 1807.503; or (b) by the Investment Period End Date in 3.2(j) of Schedule 1, whichever is later. In any case, any Project that achieves Project Completion after the Investment Period End Date shall not be counted towards meeting the Performance Goals.

- (16) The reinvestment requirement of this Section 3.8(a) is only triggered when the cumulative balance of Program Income earned equals \$100,000 or greater. During the Investment Period any Program Income earned and not subject to Project Commitment, in an amount that is less than \$100,000, shall be reinvested as required of this Section 3.8(a) or placed in an interest bearing account until the cumulative amount of Program Income reaches \$100,000 or greater. If and when the cumulative balance of Program Income earned reaches \$100,000 or greater during the Investment Period, the Recipient shall achieve Project Commitment and reinvest any amount in excess of the \$100,000 threshold within 12 months of the end of the Recipient's fiscal year in which the applicable balance was achieved, and as required of this Section 3.8(a). If the cumulative amount of Program Income does not reach \$100,000 by the end of the Investment Period, the Recipient shall use such Program Income to further the objectives of its mission as a Certified CDFI or Nonprofit Organization.

- (b) If applicable as noted in Section 3.8 of Schedule 1, Program Income in the form of principal and equity repayments of the CMF Award earned during the Investment Period must be reinvested by the Recipient as part of its continued performance under the CMF Award. Any interest received on the CMF Award and any other Program Income earned during the remaining period of performance after the Investment Period has ended must be used by the Recipient solely to further the objectives of its mission as a certified CDFI or Nonprofit Organization. For purposes of this Section 3.8, any repayment of debt or equity or due to the CMF Award becoming unrestricted from Loan Loss Reserves or Loan Guarantees, that is returned and made available to the Recipient during the Investment Period, shall be deemed to be Program Income. Such Program Income must be reinvested by the Recipient as described below:
 - (1) Recipient shall invest such Program Income in any Eligible Uses described in Section 3.2(a).
 - (2) Recipient shall invest such Program Income in any eligible Affordable Housing Activities described in Section 3.2(b).
 - (3) Recipient shall use 100 percent of such Program Income to finance and/or support Affordable Housing, Community Service Facilities and/or EDA physical structures located in any State of the United States, the District of Columbia or any territory of the United States.

- (4) If Recipient uses its Program Income on any Project that achieves Project Completion by the date specified in Section 3.2(j), it may use such Program Income to achieve the leverage requirements set forth in Section 3.2(g). For purposes of this section, only Projects financed and/or supported with such Program Income and completed within the Investment Period will be counted towards Eligible Project Costs, as further stipulated in Section 3.5(h). For purposes of Section 3.2(g), costs paid for with such Program Income will be deemed as paid for by the CMF Award for purposes of determining Eligible Project Costs and as further stipulated in Section 3.5(h).
- (5) Recipient may use such Program Income to achieve the Eligible Project Costs requirements set forth in Section 5.1. For purposes of Section 5.1 costs paid for with such Program Income will be deemed as paid for by the CMF Award for purposes of Eligible Project Costs, subject to Section 3.5(h). For purposes of this section, only Projects financed and/or supported with such Program Income and completed within the Investment Period and as further stipulated in Section 3.5(h) will be counted towards Eligible Projects Costs.
- (6) In the case where Recipient uses such Program Income to finance and/or support Multi-family rental housing, the requirements set forth in Section 5.2(b) shall apply.
- (7) Any Affordable Housing resulting from such Program Income earned during the Investment Period shall be subject to the Affordability Period beginning the date that the Project achieves Initial Occupancy.
- (8) There is no initial disbursement requirement for such Program Income.
- (9) For any Project financed and/or supported with Program Income as described in this Section 3.8(b), the Recipient shall have either: (a) up to thirty-six (36) months from the time the Project is committed to obtain Project Completion, as defined in 12 CFR 1807.503; or (b) by the Investment Period End Date in 3.2(j) of Schedule 1, whichever is later. In any case, any Project that achieves Project Completion after the Investment Period End Date shall not be counted towards meeting the Performance Goals.
- (10) The reinvestment requirement of this Section 3.8(b) is only triggered when the total cumulative balance of such Program Income earned equals \$100,000 or greater. During the Investment Period, any Program Income earned that has not achieved Project Commitment in an amount that is less than \$100,000, shall be reinvested as required of this Section 3.8(b) or placed in an interest-bearing account until the cumulative amount of such Program Income reaches \$100,000 or greater. If and when the cumulative balance of such Program Income earned reaches \$100,000 or greater during the Investment Period, the Recipient shall

achieve Project Commitment and reinvest any amount in excess of the \$100,000 threshold within 12 months of the end of the Recipient's fiscal year in which the applicable balance was achieved, and as required by this Section 3.8(b). If the cumulative amount of Program Income does not reach \$100,000 by the end the Investment Period, the Recipient shall use such Program Income to further the objectives of its mission as a Certified CDFI or Nonprofit Organization.

- (c) Any Program Income earned during the Investment Period in the form of interest payments and all other forms of Program Income (except as described in Section 3.8(a) or (b)), shall be used by the Recipient solely to further the objectives of its mission as a Certified CDFI or Nonprofit Organization.
- (d) Any Program Income in any form, including both principal or equity repayments of the CMF Award and interest payments, that is earned after the Investment Period and during the remaining Period of Performance, shall be used by the Recipient solely to further the objectives of its mission as a Certified CDFI or Nonprofit Organization.

3.9 Restrictions on the Use of Program Income.

- (a) The Recipient shall not use any Program Income in a manner other than as authorized under this Assistance Agreement, as described in Section 3.8, unless the Recipient consults with and obtains the prior written approval of the CDFI Fund.
- (b) The Recipient shall not use any Program Income earned hereunder to pay any person to influence or attempt to influence any agency, elected official, officer or employee of a State or local government in connection with the making, award, extension, continuation, renewal, amendment, or modification of any State or local government contract, grant, loan or cooperative agreement as such terms are defined in 31 USC 1352.
- (c) The Recipient shall not use any Program Income to pay any costs incurred in connection with (i) any defense against any claim or appeal of the United States Government, any agency or instrumentality thereof (including the CDFI Fund), against the Recipient, or (ii) any prosecution of any claim or appeal against the United States Government, any agency or instrumentality thereof (including the CDFI Fund), which the Recipient instituted or in which the Recipient has joined as a claimant.
- (d) The Recipient shall not use any Program Income for Indirect Costs, as defined in the Uniform Administrative Requirements.
- (e) In no event shall the Recipient use any Program Income for Economic Development Activities during the Investment Period, unless the Recipient has been authorized by the CDFI Fund to use its CMF Award for Economic Development Activities, as so indicated in Schedule 1 of this Assistance Agreement. Furthermore, if Program Income is used for Economic Development Activities, the total amount of CMF Award and Program Income

used for Economic Development Activities may not exceed thirty percent (30%) of the CMF Award amount (*i.e.*, the amount of the CMF award listed on the signature page of this Assistance Agreement times 30%).

- (f) The Recipient may use Program Income for Direct Administrative Expenses during the Investment Period subject to the following: If Program Income is used for Direct Administrative Expenses during the Investment Period, the total amount of CMF Award and Program Income used for Direct Administrative Expenses may not exceed five percent (5%) of the CMF Award amount (*i.e.*, the amount of the CMF award listed on the signature page of this Assistance Agreement times 5%).
- (g) The Recipient may use Program Income for Feasibility Determination Expenses during the Investment Period subject to the following: If Program Income is used for Feasibility Determination Expenses during the Investment Period, the total amount of CMF Award and Program Income used for Feasibility Expenses may not exceed five percent (5%) of the CMF Award amount (*i.e.*, the amount of the CMF award listed on the signature page of this Assistance Agreement times 5%).
- (h) The Recipient may use Program Income earned in the form of principal and equity repayments on a Project that was supported and/or received prior funding from the CMF Award issued under this Assistance Agreement, or another CMF Award issued under a different Assistance Agreement. However, such Program Income earned in the form of principal and equity repayments cannot be counted in the Eligible Project Costs calculation on a Project that was supported and/or received prior funding from the CMF Award issued under this Assistance Agreement. If the Project was supported and/or received prior funding from another CMF Award issued under a different Assistance Agreement, the Eligible Project Costs must be prorated.

3.10 CMF Recipients Using the Consortium Approach.

If applicable, the CMF Recipient that is also a Consortium Member makes the certifications for using the Consortium Approach, as set forth in Schedule 4-1 herein. The Consortium Member must have entered into a CMF Recipient Consortium Member Agreement, as set forth in Schedule 4-2 herein.

ARTICLE IV

4. Commitment and Disbursement

4.1 Committed for Use.

The Recipient shall demonstrate, in written form and substance that is acceptable to the CDFI Fund, a commitment for Eligible Use of the CMF Award, as set forth in Section 1807.501 and no later than the date(s) set forth in Schedule 1 (*i.e.*, the CMF Award must be Committed for Use by the Recipient within two years from the Effective Date of the CMF Award).

4.2 Project Commitment.

The Recipient shall demonstrate that its CMF Award is Committed to specific Project(s) no later than the date set forth in Schedule 1 (*i.e.*, the Project Commitment of the entire CMF Award must be achieved within three years from the Effective Date of the CMF Award). Each Project Commitment shall be in written form, specify the amount of CMF Award Committed to a specific Project, and be dated no later than the applicable Project Commitment Date. The Recipient must evidence a Project Commitment with a written, legally binding agreement to invest in a Project by providing the CMF Award proceeds to the qualifying Family, developer or project sponsor for a Project in which:

- (a) Construction on real estate can reasonably be expected to start within 12 months of the Project Commitment agreement date; or
- (b) Property title on real estate will be transferred within six months of the Project Commitment agreement date; or
- (c) Construction schedule on real estate ensures Project Completion before the Investment Period End Date specified in Schedule 1 herein; or
- (d) The Recipient has entered into a Secondary Market Mortgage Purchase agreement with a third-party lender to purchase the Secondary Market Mortgages as defined in 12 CFR 1807.104 and the subject Mortgages would not otherwise be originated by the third-party lender; or
- (e) A Project Commitment for a qualified Homeownership Program has been made by the action of the Recipient's Board of Directors; or

- (f) The Recipient has entered into a Loan Guarantee agreement or has established a cash reserve, escrow, or accounting-based accrual reserve with a lender or investor for a Loan Loss Reserve.

For purposes of demonstrating Project Commitment, an Affiliate of the Recipient that is a separate legal entity is deemed a third-party.

4.3 Alternative Forms of Project Commitment.

In cases where there is no counterparty for purposes of a Project Commitment and the Recipient serves in the role as the developer for the Project; or Recipient is financing and/or supporting a Project for Purchase and the Project is not owned, sponsored, or being developed by a limited partnership, limited liability company or other separate legal entity; or the Recipient has Committed for Use its CMF Award to a Loan Loss Reserve where the reserve is not pledged to a third party or separate legal entity affiliated with the Recipient, but is used to reserve against losses from loans directly made by the Recipient, the Recipient may evidence a Project Commitment via a resolution of its board of directors for an identified Project or Affordable Homeownership Program. Such resolution shall be in the form and meet the minimum requirements as described below. For purpose of evidencing Project Commitment for Affordable Homeownership Purchase and achieving Project Completion for Purchase, the Recipient's entire portfolio of Homeownership financed and/or supported with the CMF Award under a Homeownership Program will be deemed a Project.

The board of directors of the Recipient shall adopt a resolution which shall include the following:

- (1) The resolution shall cite the regulatory requirement related to Project Commitment and state it is being adopted to satisfy the evidence of Commitment pursuant to 12 CFR 1807.501(c) of the CMF Regulations.
- (2) The resolution shall be binding and approved on or before the Project Commitment Date listed in section 3.2(h) in Schedule 1 of this Assistance Agreement.
- (3) The resolution shall state that a legally binding Project Commitment to a third party is not possible.
- (4) The resolution shall include the Project and/or eligible activity, amount of the CMF Award being committed, the identified Project, and the targeted income levels of the Families in the applicable percentages.
- (5) The resolution shall commit the Recipient to ensuring full compliance with this Assistance Agreement and the CMF Regulations.

4.4 Revisions to Commitment.

Once a Project Commitment is made using a portion or all of the CMF Award, the Commitment may be changed, terminated, cancelled, withdrawn, or substituted only under the following circumstances, unless the Commitment is terminated after the disbursement of CMF Award dollars to a specific Project:

- (a) Prior to the Project Commitment Date specified in Section 3.2(h). A Project Commitment can be withdrawn or terminated and recommitted to another Project if no CMF Award dollars have been disbursed under the initial Project Commitment.
- (b) After the Project Commitment Date specified in Section 3.2(h). A Project Commitment can be withdrawn or terminated if the Project is no longer feasible, is past the Project Commitment Date and no CMF Award dollars were disbursed to the Project. The Project being “no longer feasible” shall mean that the Recipient cannot make the CMF investment to the Project due to:
 - (1) Project delays preventing completion by the Project Completion date;
 - (2) Project sponsor’s or other parties’ unwillingness to cooperate with Recipient’s CMF requirements;
 - (3) The Recipient identifying another Project that will be a better fit for the CMF investment; or
 - (4) Other reasons deemed reasonable by the CDFI Fund as set forth in guidance.

The Recipient shall identify and make a Project Commitment to an eligible Project(s) as a substitution before the end of the Investment Period. The Recipient shall meet all of its Performance Goals by the Project Completion deadline. Withdrawal of a Project Commitment after the Project Commitment Date specified in Section 3.2(h) is a Material Event and subject to the reporting requirements outlined in Section 7.8.

- (c) In the event a Recipient terminates a CMF Project Commitment after disbursement of the CMF Award to the Project, but prior to the Project Completion, it will be deemed an event of noncompliance. The Recipient must notify the CDFI Fund via a Material Event Form within 30 days of terminating the Project Commitment, as outlined in Section 7.8.

4.5 Disbursement.

The Recipient shall make an initial disbursement of either all or a portion of the CMF Award for Affordable Housing Activities or Economic Development Activities by the date set forth in Schedule 1. The entire CMF Award shall be fully disbursed by the Recipient as of the end of the Investment Period. Funds are considered disbursed when they are provided to the project sponsor, developer, borrower, Eligible-Income Family or Community Service Facility (or other physical structure arising from an Economic Development Activity). If the Recipient uses its

CMF Award to fund a Loan Loss Reserve or Loan Guarantee, such funds shall be deemed disbursed, for purposes of Section 3.2(i) and this Section 4.4, at the time the funds are obligated to guarantee or reserve against specific loans or investments for Affordable Housing, Community Service Facilities and/or EDA physical structures.

4.6 Completion.

Upon Project Completion, the Project must be Placed into Service by the date designated in Section 3.2(l) in this Assistance Agreement.

(a) Project Completion for Affordable Housing Activities and Economic Development Activities occurs, as determined by the CDFI Fund, when:

- (1) All necessary title transfer requirements and construction work have been performed;
- (2) The property standards of paragraph (b) of Section 1807.503 have been met;
- (3) The final drawdown of the CMF Award has been made to the project sponsor or developer;
- (4) For Preservation, when the refinancing of the loan is closed and the underlying real estate is in compliance with all CMF requirements and, if applicable, Rehabilitation is completed and the requirements set forth in this paragraph (a) are achieved;
- (5) For qualified Secondary Market Mortgage Purchase, when the loan purchase transaction is complete, all CMF Secondary Market Mortgage requirements are met, and the CMF Award is disbursed to the lender (*i.e.*, seller of the loan);
- (6) For Loan Loss Reserves, when the Loan Loss Reserve is established and the CMF Award is disbursed to an escrow, cash reserve, or obligated to an accounting-based accrual reserve to secure loans for Affordable Housing Activities or Economic Development Activities that meet the requirements of 12 CFR 1807.400, *et seq*;
- (7) For Loan Loss Guarantees, the Loan Guarantee is executed guaranteeing loans for Affordable Housing Activities or Economic Development Activities that meet the requirements of 12 CFR 1807.400, *et seq.*; or
- (8) For Economic Development Activities, when the physical structure is occupied by an eligible business or Community Service Facility as of the Economic Development Activity Occupancy Date.

- (b) By the Investment Period End Date, all Projects must meet the requirements of this section, including the property standards set forth in 12 CFR 1807.503(b).

ARTICLE V

5. Affordability Requirements

5.1 Affordability Requirements in General.

The Recipient shall ensure the following affordability qualifications are met for Projects during the Affordability Period:

- (a) Housing must meet the affordability requirements for the duration of the Affordability Period, beginning at Initial Occupancy and after Project Completion, or for Affordable Homeownership, beginning at the time of Purchase by the Homebuyer. The Recipient shall ensure that one hundred percent (100%) of total Eligible Project Costs attributable to Affordable Housing are for CMF Units leased or owned by Eligible-Income Families.
- (b) The Recipient shall ensure that, at a minimum, greater than fifty percent (50%) of the total Eligible Project Costs attributable to Affordable Housing are for CMF Units that are leased or owned by Low-Income Families, as set forth in 12 CFR 1807.400, *et seq.*

5.2 Rental Affordability Qualifications

The Recipient shall ensure that the rental affordability requirements, as set forth in 12 CFR 1807.400 *et seq.*, and the following requirements are met:

- (a) Portfolio-level targeted incomes. If applicable, at the end of the Investment Period the percentage of rental Affordable Housing, as measured over the Recipient's entire portfolio of rental Affordable Housing financed and/or supported by this CMF Award, leased by Very Low-Income Families, shall be no less than that set forth in Schedule 1 of this Agreement.
- (b) Project-level targeted incomes. For each Multi-family rental Affordable Housing Project, at least twenty percent (20%) of the units in each Project shall be leased by Low-Income Families. For the purposes of this Section 5.2(b), a project consists of one or more buildings or structures on the same site that together are considered one property (or on scattered sites if developed together) under the same ownership.
- (c) The maximum rent, including utility allowances for each CMF Unit, shall not exceed the limitations set forth below:

- (1) For CMF Units rent-restricted to incomes no greater than 120 percent of area median income, annual gross rent is calculated at 30 percent of 120 percent of the area median income as determined by HUD, adjusted for bedroom size.
 - (2) For CMF Units rent-restricted to incomes no greater than 80 percent of area median income, annual gross rent is calculated at 30 percent of 80 percent of the area median income as determined by HUD, adjusted for bedroom size.
 - (3) For CMF Units rent-restricted to incomes no greater than 60 percent of area median income, annual gross rent is calculated at 30 percent of 60 percent of the area median income as determined by HUD, adjusted for bedroom size.
 - (4) For CMF Units rent-restricted to incomes no greater than 50 percent of area median income, annual gross rent is calculated at 30 percent of 50 percent of the area median income as determined by HUD, adjusted for bedroom size.
 - (5) For CMF Units rent-restricted to incomes no greater than 30 percent of area median income, annual gross rent is calculated at 30 percent of 30 percent of the area median income as determined by HUD, adjusted for bedroom size.
- (d) Gross rent includes the cost of utilities paid directly by the tenant, except for phone, cable and internet. The maximum tenant-paid rent is the sum of the applicable rent limit in subpart (c) minus the applicable utility allowance.
- (e) At the time of each initial lease and occupancy, the tenant income of a Family shall be determined to ascertain income eligibility. During the Affordability Period, the tenant income of a Family shall be re-examined annually except for the following:
- (1) Projects where 100 percent of the units are subject to rent limitation as set forth in Section 5.2(c); and/or
 - (2) Rent-restricted units where the rent and income restrictions are tied to a specific unit with a fixed address.
- (f) One of the following two definitions of “annual income” must be used to determine whether a Family is income-eligible:
- (1) Adjusted gross income as defined for purposes of reporting under Internal Revenue Service (IRS) Form 1040 series for individual Federal annual income tax purposes;
or
 - (2) “Annual Income” as defined at 12 CFR 1807.401(f)(2)(ii).

- (g) In the event the tenant income of a Family occupying a CMF Unit increases, pursuant to 12 CFR 1807.401(g), another unit at the Project may be rent-restricted at the same income level, or if no such additional units are available, the CMF Unit will continue to qualify as Affordable Housing as long as the next available vacant unit is leased to a qualified income Family. The allowable maximum annual rent amount will equal 30 percent of the Family income but not exceed market rent for a comparable unit, subject to state and local laws.
- (h) The Recipient shall ensure that all tenants occupying rental CMF Units shall be required to enter into a written lease or rental agreement setting forth the terms and requirements which are, but not limited to, in compliance with applicable State and local law.
- (i) The affordable housing rental provisions of 12 CFR 1807.401 *et seq.*, are otherwise met.
- (j) Preservation shall include the refinancing of Multi-family rental housing to extend the existing affordability restrictions set to expire during the Investment Period, or other timeline as defined by the CDFI Fund, by at least an additional 10-year Affordability Period or as set forth in the Assistance Agreement. Preservation may also include the imposition of a new Affordability Period on Housing not currently subject to affordability restrictions.
- (k) In the event of a refinancing, restructuring, or other event that results in the Recipient's loss of privity with respect to a rental Affordable Housing Project, the CDFI Fund reserves the right to seek corrective actions, including any in Section 8.2 of this Agreement, from the Recipient in order to satisfy or otherwise address the affordability requirements for the remaining duration of the Affordability Period to the satisfaction of the CDFI Fund. Corrective actions may include, but not limited to, requiring that the Recipient shall invest its own dollars in a replacement rental Affordable Housing Project, or requiring that the Recipient shall demonstrate through legal instruments, filings, and other documentation (e.g., deed restrictions, covenants running with the land, etc.) that the original rental Affordable Housing Project will continue to meet the affordability requirements for the remaining duration of the Affordability Period.
- (l) For any rental Affordable Housing financed or supported with a CMF Award, the Recipient shall ensure that the necessary deed restrictions, covenants running with the land, or other recording instruments, as applicable, are filed in accordance with 12 CFR 1807.401, and the Recipient shall report as requested for each Project Placed into Service that mechanisms such as deed restrictions, covenants running with the land, or other recording instruments, as applicable, have been put in place to impose the affordability requirements for each property until the exit of that property from the Affordability Period, regardless of any change in property ownership or other restrictions or conditions. The Recipient shall ensure that all filings and recordings are duly made, such that all the necessary CMF affordability requirements imposed on each property are enforceable under all applicable Federal, State, and local laws. In connection with these filings and

recordings, the CDFI Fund reserves the right to review the filings and/or recordings for compliance with these requirements and/or require that the Recipient submit to the CDFI Fund an opinion from its legal counsel that the CMF affordability requirements that are to be imposed are enforceable under the laws of the State and locality where the Affordable Housing is located.

- (m) All the occupants of the Affordable Housing must not be full-time students unless they are: (1) married students who file a joint tax return; (2) students who receive assistance under Title IV of the Social Security Act; (3) students enrolled in a job training program; (4) students who are single parents with children who are their dependents, as defined in IRC Section 152; or (5) students who previously were part of a foster care program.

5.3 Homeownership Affordability Qualifications.

The Recipient shall ensure that the Homeownership affordability requirements, as set forth in 12 CFR 1807.400 *et seq.*, and the following requirements are met for Housing financed under any Homeownership Program, as applicable during its Affordability Period and for each year that the Recipient has an Affordability Period in effect.

- (a) Portfolio-level targeted incomes. If applicable, after the end of the Investment Period, the percentage of Homeownership Affordable Housing, financed and/or supported with the CMF Award and owned by: (A) Families with incomes above 80% and no greater than 120% of area median income located in Areas of Economic Distress; (B) Low-Income Families (up to 80% of area median income) located in or outside of Areas of Economic Distress; or (C) a combination of (A) or (B), shall be no less than the percentage set forth in Schedule 1 of this Assistance Agreement.
- (b) The Housing must be Single-family housing. Single-family housing under this section is subject to the Affordability Period and as further set forth in 12 CFR 1807.402(a)(1)(v). The period of affordability does not apply to additional units rented as Permanent Housing, as described in Section 1807.402(a)(1)(v).
- (c) The Housing price does not exceed the purchase price limits (or for owner-occupied rehabilitation, the after-rehabilitation value) for the area under the HUD FHA Section 203(b) Mortgage Insurance Program on the date of sale. The related mortgage must be originated based upon an assessment of whether the Homebuyer can repay the loan based on terms and conditions that are transparent and understandable to the Homebuyer, and the mortgage is affordable to the Homebuyer over the life of the loan.
- (d) Preservation may include the refinancing of owner-occupied Single-family housing with the extension of the Affordability Period for at least 10 years.
- (e) The Housing must be owned or purchased by a qualifying Family as set forth in 12 CFR 1807.400. To determine whether a Homebuyer is income-eligible under this section, the Recipient must use the Homebuyer's adjusted gross income as defined under Internal

Revenue Service (IRS) Form 1040 series for individual Federal annual income tax reporting purposes, as set forth in Section 1807.402(a)(1)(iv). The Recipient must establish a process for verifying and documenting Family income that is in compliance with all applicable Federal and State lending laws. Family income statements must be verified by third-party documentation (*e.g.*, pay-stubs, income statements, tax returns, records of self-employment, etc.).

- (f) The Housing financed and/or supported by the CMF Award must be the principal residence of the Family. Homeowners of one- to four- unit Single-family housing may rent the additional unit(s) as Permanent Housing if at least one unit is maintained as the principal residence of the Homebuyer.
- (g) The Housing must meet the definition of “Homeownership” as defined in 12 CFR 1807.104.
- (h) Resale, recoupment, replacement strategies are imposed as described in 12 CFR 1807.402(a)(1)(vi) and must satisfy the following:
 - (1) Upon the establishment of a Homeownership Program, the Recipient shall have prepared in writing, and its board of directors (or equivalent) shall have approved, a resale, recoupment, replacement strategy that meets the requirements of 12 CFR 1807.402(a)(1)(vi) and is subject to inspection by the CDFI Fund at any time thereafter pursuant to Section 7.3 of this Assistance Agreement.
 - (2) At a minimum, this written resale, recoupment, replacement strategy shall include mechanisms for:
 - (i) The occupying Family to provide notice to the Recipient of the sale or transfer of a CMF Unit;
 - (ii) The Recipient to provide notice to the CDFI Fund through the CMF Performance Report for the same performance year when the Recipient utilizes this resale or recoupment strategy;
 - (iii) The Recipient may design and implement its own recoupment, replacement, and/or resale strategy. Deed restrictions, covenants running with the land, or other similar instruments may be used as the mechanism to impose a strategy. The recoupment, replacement, and/or resale strategy shall ensure that:
 - (A) in the event the qualifying Family sells the Housing in five years or less from the date of Purchase, the Housing must be sold to an Eligible-Income Family meeting the qualifications set forth in Section 1807.402, or the CMF Award investment is fully recouped and the Housing replaced with a replacement unit to satisfy the affordability requirement for the remainder of

the 10-year affordability period. If the Housing is replaced, the replacement unit must be resold to an Eligible-Income Family and must meet the qualifications set forth in Section 1807.402;

(B) in the event a qualifying Family sells the Housing any time after five years from the date of Purchase but before the end of the 10-year affordability period, the Housing must either be sold to a new Eligible-Income Family or, if the Housing is not sold to an Eligible-Income Family, the CMF investment must be recouped in a proportional amount from net sale proceeds and deemed Program Income. If the Housing is not resold to an Eligible-Income Family after the five-year anniversary of the Purchase date and the Recipient recoups a proportional amount of the CMF Awards as Program Income, the Recipient is not required to replace the sold Housing with a replacement unit. The proportional amount of the CMF Award to be recouped shall be calculated as the amount equal to one-tenth of the Award invested to finance the Housing for each year, or any part of a year, of the 10-year Affordability Period not met; or

(C) Any other provisions deemed appropriate or necessary by the CDFI Fund.

- (3) The resale or recoupment or replacement of any housing shall be made in accordance with this written strategy and reported to the CDFI Fund.
 - (i) If applicable, rental CMF Units may be converted to Homeownership CMF Units under an existing, documented rent-to-own program and in accordance with 12 CFR 1807.402(e). Converted Units are subject to the remainder of the Affordability Period for that Unit.
 - (j) The affordability restrictions are allowed to terminate upon occurrence of any of the following termination events: Foreclosure, transfer in lieu of foreclosure, or assignment of an FHA-insured mortgage to HUD, subject to 12 CFR 1807.402(a)(3).
 - (k) The affordable Homeownership provisions of 12 CFR 1807.402 *et seq.*, are otherwise met.

5.4 Economic Development Activities.

Pursuant to 12 CFR 1807.300(b) and 1807.403, the Recipient must ensure that the Economic Development Activities (EDA) financed with the CMF Award maintain an eligible EDA use for a minimum of three (3) years, and that no more than thirty percent (30%) of its CMF Award is used to finance EDA. EDA must be undertaken in conjunction with any affordable housing that is authorized as such under applicable local, State or Federal housing program laws, and reasonably available to, physically proximate to, and beneficial to residents of affordable housing. A qualifying affordable housing project is one that is subject to affordability restrictions under local, State or Federal law. The Recipient must also retain its evidence of a

Concerted Strategy pursuant to the record retention requirements set forth in Section 7.3 of this Assistance Agreement. The Recipient must report in its Annual Report – Performance Report (as described in Schedule 1-B) the address of at least one qualifying affordable housing project at the time a CMF Project Commitment is made, in order to demonstrate compliance with the Concerted Strategy.

5.5 Tracking Affordability during the Affordability Period.

Once the Recipient achieves Project Completion for any given Project, the Recipient shall designate the number of CMF Units attributable to the Eligible Project Costs of that Project, as well as the income restrictions for these units. The Recipient is responsible for tracking this number of units within the Project for the duration of the Affordability Period. Each year during the Affordability Period, the Recipient shall report on its compliance with the requirements of this Section 5.5 in the Recipient’s Annual Report – Performance Report (as described in Schedule 1-B). The Recipient shall ensure that the CMF Units meet the affordability requirements for no less than ten (10) years, beginning after Project Completion and on the date when the Affordable Housing achieves Initial Occupancy, by conducting or ensuring the following:

(a) For rental CMF Units:

- (1) At the time of each initial lease and occupancy, determination of the tenant income of the Family to ascertain income eligibility;
- (2) Re-examination of the existing tenant income annually in accordance with 12 CFR 1807.401(f), except for those Projects where 100 percent of the CMF Units are subject to rent limitations as set forth in Section 5.2(e)(1), or for those rent-restricted units where the rent and income restrictions are tied to a specific unit with a fixed address as set forth in Section 5.2(e)(2) herein;
- (3) The requirements of Section 5.2 are met;
- (4) The Housing adheres to the applicable maximum monthly allowances for utilities and services (excluding telephone) in accordance with 12 CFR 1807.401(c);
- (5) Any increase in rents adheres to the rent limitations and notice requirements set forth in 12 CFR 1807.401(a) and (e); and
- (6) Any temporary noncompliance resulting from CMF Units that are occupied by tenants that are over-income is resolved in accordance with 12 CFR 1807.401(g).

(b) For Homeownership Affordable Housing:

- (1) The original or a subsequent qualifying Family owns and resides in the Housing, provided that qualifications for each such qualifying Family are determined at the

time the equitable title of the Housing is transferred to the qualifying Family, or at or around the time the Affordable Housing Activity achieves Project Completion. Income verifications should rely on third party documentation and not solely on self-certification by the qualifying Family.

- (2) Resale strategies pursuant to Section 5.3(g) and 12 CFR 1807.402(a)(1)(vi) are imposed should the Housing be sold to a non-Eligible-Income Family.

5.6 Presumptive Compliance

The CDFI Fund deems the Federal program requirements, designations and/or reporting criteria as Presumptively Compliant and meeting the requirement set forth in 12 CFR 1807.106, as identified in the CMF Post-Award Policy and Compliance Manual published on the CDFI Fund's website.
