

CDFI Certification Policy Review Objectives

1. To support the growth and reach of CDFIs, especially as it relates to their ability to innovate and to take advantage of new technologies
2. To continue to foster a diversity of CDFI types, activities, and geographies
3. To protect the CDFI brand, that is, to continue to ensure that CDFIs are mission-driven and accountable to the communities they serve
4. To minimize applicant burden and increase efficiency for CDFI Fund staff in rendering certification determinations
